

C'EST LA MORT CATALOGUE FOR 1990

AREA * Emotive, ambient pop with layered female vocals. They are a three piece from the mid-western U.S. with three titles out to date from C'est La Mort.

AREA "Radio Caroline" CLM-018 * Available only on compact disc. This album was previously released on Office Records and was re-released on C'est La Mort with three bonus tracks.

AREA "The Perfect Dream" CLM-006 * Available on LP, cassette and CD. Compact disc contains four bonus tracks, one of which is a beautiful cover of Leonard Cohen's "Sisters of Mercy".

AREA "Between Purple & Pink" CLM-021 * Available at the moment only on compact disc. This CD contains 14 new tracks and is considered the band's best effort yet. A t-shirt with the cover art from this title is available for \$10.00.

AREA "Fragments of the Morning" CLM-031 * This is AREA's fourth and latest album. Available on LP, cassette, and compact disc. LP is on white vinyl in black sleeve. CD contains three bonus tracks. "Fragments..." represents, for the most part, a softer, quieter AREA. More accessible than their previous efforts, but at the same time more experimental; even Gothic at moments. Look for a side project soon called THE MOON SEVEN TIMES, featuring singer Lynn Canfield and former guitarist Henry Frayne.

THE ARMS of SOMEONE NEW * Essentially a two man studio unit. Their sound is moody, romantic and melodic, but not too far from the garage.

THE ARMS of SOMEONE NEW "Promise" CLM-008 * Available on LP and compact disc. CD contains two bonus tracks. This is the fourth release by this group, but the first from CLM. The production quality is far superior to any of their previous work.

THE ARMS of SOMEONE NEW "Every Seventh Wave" CLM-019 * Four track EP containing extended mix and LP version of "Every Seventh Wave", plus two new tracks on B side. These tracks were not on LP, but are the bonus CD tracks.

BLUE BLUE BLUE "Reclusallucination" CLM-020 * Four piece from New York City. They have been compared to Bauhaus, Public Image and Chameleons. Lead singer's voice shares a slight resemblance to Cindy Talk's Gordon Sharp. Available on CD only.

BEAUTIFUL PEA GREEN BOAT "Still Life" CLM-009 * Available on CD only. Contains 12 tracks. Scottish duo with female vocals. Many styles are represented here, ranging from thick mood music to synth dance.

Contains remixes and re-recorded versions of songs from two European releases, *Obsessions* and *Beautiful Pea Green Boat Get Religion*.

CONTROLLED BLEEDING "Songs From the Ashes" CLM-022 * Available at the moment on CD only. This is a 62 minute, 16 track album of music that was previously released only in Europe. Many remixes and re-recorded versions. Material is very haunting and atmospheric with a sound that is almost Gregorian. New age for the undead if you will. Would make a wonderful soundtrack for "Interview With the Vampire" by Anne Rice. The group may change it's name to *IN BLIND EMBRACE*.

COURAGE of LASSIE "Sing or Die" CLM-026 * Available on LP, cassette and compact disc. LP does not contain cover art, but is on limited edition white vinyl in black sleeve. Very collectable. CD contains three bonus tracks. This group is from Montreal and are considered one of Canada's leading folk acts. Their sound is somewhere between Cowboy Junkies and Les Negresses Vertes, but much more embellished with ambient sounds and textures. Male vocals are reminiscent of a young Leonard Cohen. Female vocalist, Maddy Schenkel, is from Switzerland and performs her tracks in German, French and English.

CONDITION "Swamp Walk" CLM-027 * Available on LP, cassette and compact disc. LP is on white vinyl in black sleeve. CD contains three bonus tracks. This three piece combo is from Montreal and are totally different from anything you have heard before from CLM. They describe their sound as "*primitive urban swing*", but others might call it "*cabaret from hell*" or "*voodoo blues*". Lead singer Julia Gilmore, combines her talent for torch music with a little country swing. After listening to this album, you won't know if you're in Berlin or Montana, but you might think Shirley Bassey has joined the Cramps.

DR. DEATH'S VOLUME III "les peches de l'amant" CLM-007 * Available on CD and cassette. This is an 11 track compilation featuring: HEAVENLY BODIES, DROWNING POOL, FRONT LINE ASSEMBLY, LEGENDARY PINK DOTS, CONTROLLED BLEEDING, CLAIR OBSCUR, DIE BUNKER, BEAUTIFUL PEA GREEN BOAT, BILL PRITCHARD, DATA BANK A and PSYCHE.

DR. DEATH'S VOLUME IV The Marvels of Insect Life CLM-029 * Available on LP (10 tracks), CD (18 tracks) and cassette (21 tracks). CD comes with a *free*, companion CD (19 tracks) consisting of all instrumental music; 37 tracks in all. There is approx. 2 1/2 hours of music on this double CD. LP includes material by JOHANNA'S HOUSE of GLAMOUR, MUMBLES (formerly Drowning Pool), M-1 ALTERNATIVE, TALISKER TALE, PSYCHIC SURGERY, AREA, HALCYON DAZE, The MILLIONS, AND SIAMESE URBAIN & HANDFUL of SNOWDROPS. Additional CD/CS tracks by: DOUBLE HAPPINESS, CRITICAL MASS (Lincoln Fong's group), A FLOWER SERMON, GRACE DARLING (CS only), BLACKGIRLS, LEIGH GREGORY, CONDITION "live" (CS only), EAST ASH (CS only), MAGNETIC FIELDS & FUTURE NEIGHBORS. BEAUTIFUL PEA GREEN BOAT, HOUSE of USHER, CONTROLLED BLEEDING,
BROTHERS GRIMM, FRENCH B. & FINI TRIBE.

EAST ASH "Crushing A Flood" CLM-025 * Available on LP, cassette and compact disc. LP is on white vinyl in black sleeve. This four piece act is from Columbia, MO. "Crushing A Flood" is "a heavy, emotional work that's equal parts Nick Cave and U-2." The band describe its sound as "sophisticated groove" and many of the tracks here are quite danceable. Perhaps in the style of The Wolfgang Press or Gang of Four. Great vocals, and melodic, but meaty, guitar work.

FUTURE NEIGHBORS "Flesh of Love" CLM-011 * Available on LP and cassette. This group is from Richmond, VA and is fronted by two women, Teri-kay Lindsay and Ruth Fleischman. Hard, folksy pop here with lots of quirky hooks and melodies. Covers include: "Bamboo," "I Fall to Pieces" and "Cinnamon Girl". Nice violin work on "Jimmy Whalen."

HEAVENLY BODIES * "Celestial" CLM-010 * Available on LP, cassette and compact disc. CD contains three bonus tracks. This group consists of two former members of Dead Can Dance, Scott Rodger and James Pinker, and two folks from This Mortal Coil's "Filigree and Shadow" LP, Caroline Seaman and Tony Waurea. Their sound is ethereal, but also danceable and very rhythmic.

HEAVENLY BODIES "Rains On Me" CLM-017 * 3 track 12" containing two remixes of "Rains On Me" and one unreleased track. A side version of "Rains..." was engineered by Robin Guthrie and remixed by Lincoln Fong.

HANDFUL of SNOWDROPS "Land of the Damned" CLM-028 * Available on LP, cassette and compact disc. LP is on white vinyl in black sleeve. This group consists of five French-Canadian lads from Quebec City, Quebec. Their sound is driving and tastefully dramatic, with nice guitar work and rhythms that are half man/half machine. Music is very danceable, and in a style a'la Xymox and New Order. Sampled choruses are uplifting, but used with restraint.
